

# CAROLINE - DATA PROTECTION SUPPORT OFFICER

## SPECIALISMS

- ✓ CCTV
- ✓ Public sector
- ✓ DPIA
- ✓ Special category data
- ✓ Data subject access requests

## PROFILE

Caroline is a highly motivated and enthusiastic individual with several years of experience in compliance and regulation within the public sector. Caroline is educated to degree level and possesses outstanding attention to detail, even when under time constraints. Building on her existing knowledge with Data Subject Access Requests (DSARs) and freedom of information requests, Caroline will be an asset to the DPSO department. Her exceptional communication and organisational skills enable her to seamlessly integrate and assist the wider data protection team to ensure deadlines are met.

## QUALIFICATIONS

- ✓ Police vetted level 2
- ✓ Security Industry Authority CCTV license

## SAMPLE EXPERIENCE

Business Development Officer for a borough council. Caroline was responsible for the CCTV compliance across both the town centre and numerous borough council sites throughout the area, each with their own CCTV system. Caroline is highly experienced in conducting data protection impact assessments (DPIA) where she identified and addressed privacy concerns before new systems were installed. Caroline regularly dealt with data subject access requests (DSARs) in respect of CCTV footage as well as correspondence with third parties in a timely manner.
